MEMORANDUM FOR: Project Director of Logistics
 SUBJECT : Record Pickup of Certain Weapons

1. For four pilots of Detachment B, I have this date purchased the following personal weapons for use in their survival equipment, which weapons should be picked up on CIA records and then charged to the Supply Officer, Detachment B, for issue to the individual pilots on memorandum receipts:

1. Smith & Wesson, K-38, Combat Masterpiece 4 inch barrel #20239-257553	\$ 71.00
2 Walther PPK automatic pistols, cal. 32, Serials: 112442 and 112452 ... \$ 598.50 ea.	\$117.00
1 Browning 9mm automatic pistol #74521	\$ 75.00
3 Leather holsters @ \$5.95	\$ 17.85
1 Leather holster	\$ 7.00
Extra magazine for Browning 9mm pistol	\$ 5.00

2. In addition, I purchased 200 rounds of ammunition for each weapon, but since this is expendable, I assume you will not need a record of the price for each 200 rounds. I would appreciate it if you were to see to the packaging of these weapons and ammunition for early shipment to Watertown, probably on a hand-carry basis.
